

Congratulations! You are now a Certified ScrumMaster. Your high score indicates a solid understanding of the basics of Scrum. As you continue to study and begin to practice Scrum on your own projects, be sure to send us articles about how it went and to read about what others are doing to overcome common obstacles. You're well on your way to becoming a Certified Scrum Professional!

CSM Course Evaluation Results

Overall		100%
Scrum Terminology		100%
Scrum Principles		100%
Scrum Practices		100%
